

## Standing Order Form

Please note that we do not receive any funds from any government or organisation anywhere in the world. All our activities at any time are funded from our own pockets and from the donations of brothers and sisters like yourselves. We work with zero overheads and no part of any donation, goes towards supporting anyone's income since everything is carried out voluntarily. Any profits generated from our activities, such as book publications, are all put back into this work. No one is a salaried employee and all volunteers have other regular means of income and do not depend upon this work in any way for their livelihood. Even costs of major events such as a conference are met from self-generating finances and donations. This is all by the help and grace of Allah.

We are here to provide some pure means for realising Sadaqah jaariyyah. Please help us - to help you to perform charity whose reward never stops accumulating and for its benefit to reach the public at large on a wider scale.

For further information or a catalogue please contact us directly.
