Innal hamdalillaah wassalaat wassalaam 'alaa rasoolillaah wa ba'd:*

Welcome to Morning Dew Islamic Matchmaking and Nikah Services. Please take a few moments to read through this letter carefully.

To join our database of potential partners, please fill in the enclosed registration form in full and send it to us with a registration fee of £25 payable to 'Morning Dew'. This entitles you to a year's subscription to the marriage database. Please do not forget to read the terms and conditions in red on the registration form before signing it. The success of the database depends entirely on the applicants registered on it.

When we find a suitable match for you based on your application, we will send you a summary of details from their registration form for you to consider. ONLY if both parties agree to continue will we send contact details to the respective guardians. All meeting arrangements will then be carried out by yourselves. We will not be handling any photographs at any stage. We simply manage the introduction of a prospective partner insha'Allaah.

Only one potential match will be dealt with at any given time. During this period neither party will be available for consideration by anyone else on the database. You will need to confirm either in writing or via email if you want to re-enter the matchmaking process.

We also intend to organise local marriage events where practical in a particular area. If you are registered with us then you will automatically receive an invitation with details of the programme. A day fee will be charged at these events to cover costs.

You will be removed from the database when:

- 1) You find a suitable partner through our service;
- 2) You request removal;
- 3) Your annual membership expires, and you choose not to renew.

JazaakumAllaahu khairan.
Wasalaam 'alaikum wa rahmatullaah.
